

All Souls' Day - November 2nd, 2014

Dear brothers and sisters, the Church still prays for the souls in Purgatory:

This teaching is also based on the practice of prayer for the dead, already mentioned in Sacred Scripture: "Therefore [Judas Maccabeus] made atonement for the dead, that they might be delivered from their sin." From the beginning the Church has honored the memory of the dead and offered prayers in suffrage for them, above all the Eucharistic sacrifice, so that, thus purified, they may attain the beatific vision of God. The Church also commends almsgiving, indulgences, and works of penance undertaken on behalf of the dead: (CCC 1032)

Let us help and commemorate them. If Job's sons were purified by their father's sacrifice, why would we doubt that our offerings for the dead bring them some consolation? Let us not hesitate to help those who have died and to offer our prayers for them. (Saint John Chrysostom) (CCC 1032)

Hence God allows us to share in His mercy by praying for the dead so that they may be made ready to be in Heaven. On the natural level, we have had the privilege at Saint Nicholas to play an active role in the purification and clean up of the old school building. The chapel and the north basement room recently showed favorable air test results!! The Heavenly Mysteries will be returning to the chapel as Eucharistic Adoration will again be in old school building.

As the Catechism says, the Church offers above all the Eucharistic Sacrifice for those who have died and Eucharistic Adoration flows from and back to the Sacrifice of the Mass. So as we are able to return to the old school building, please continue to remember in your prayers, in union with the Holy Eucharist, those who have died. We pray that they may find consolation through our prayers and that they may finally enter into Heaven!

A little cleanup in our lives on the natural and spiritual level can literally open doors.

Parish leadership has recently approved a number of necessary maintenance projects. Our operating budget is really just keeping the doors open, there is not extra money for large repairs. We will be taking money out of our parish savings account to pay for these projects. We are asking parishioners for donations to replenish the savings account.

Here is a list of the current projects and their costs:

Sidewalk replacement - \$2,236.50

Replacement of flat roofs over basement bathrooms & south basement entrance - \$11,250.00

Mold removal in parish basement - \$1,755.00

Mold removal in school building - \$600.00

Leaf guards for gutters on rectory - \$620.00

Total cost of current needed repairs: 16,461.50

Donations to date - Thank You! 5,028.00

Balance 11,433.50

We are also in the process of identifying and prioritizing a number of other projects (solving our water problems is a big one). If you are able to contribute to the parish for these expenses, you can make your donation two different ways. In your current Sunday envelopes, on the left side of the envelope it reads Capital Improvement and Endowment Fund Offering. Simply circle Capital Improvement and then list the dollar amount you would like to contribute to the projects. You may also stop in the parish office and leave your donation with Lisa. As the donations begin to come in, the dollar amounts will be listed in the bulletin. If you have any questions please contact the parish office at 952-461-2403

Thank you from the Parish Leadership.

**Thank you to everyone who has responded so quickly to the parish needs, through prayer, treasure and talent!
God Bless You!**
